Bill – I apologize for the delay. Here is a red-line of your red-line. After you've had the opportunity to review, we should set up a call to discuss.

Brian,

Here is a spreadsheet showing that our storage fees total approximately \$330K for samples that are past their holding times under the relevant QAPPs. I know you are working on a form of agreement, but I thought you should know how much is at stake. Should we have another call to discuss how to get this resolved?
